

## **REMARKS**

### **I. Status of the Application**

Claim 112 was pending in the application prior to this submission and was allowed by the Examiner, as amended, in the Notice of Allowance dated July 26, 2010.

Claim 112 has been amended herein to correct typographical errors. Claims 113-117 have been added and are now presented for consideration by the Examiner. No new matter has been introduced in this response, and thus, entry and consideration are respectfully requested.

### **II. Voluntary Claim Amendments:**

Claim 112 has been amended herein to resolve minor typographical errors in the claim. The amendment is meant only to correct errors in the language of claimed embodiment of the present invention, is not being made for reasons related to patentability and is non-narrowing.

### **III. New Claims:**

Claims 113-117 have been added and are now presented for consideration by the Examiner. Applicants respectfully assert that all of these claims include at least the elements of claim 112 that were previously indicated as allowable. More specifically, it is asserted that claim 113 is an apparatus claim corresponding to amended claim 112 that also finds support in at least original claim 21, now canceled. Claim 114 is an article of manufacture claim corresponding to claim 113 that also finds support in at least original claim 11, now canceled. Claim 115 is an apparatus claim that is complimentary to amended claim 112 that also finds support in at least original claim 102, now canceled. Claim 116 is an article of manufacture claim corresponding to claim 115 that also finds support in at least original claim 95, now canceled. Claim 117 is a system claim substantially incorporating claims 113 and 115. In view of the prior allowance of claim 112, Applicants respectfully assert that claims 113-115 should also be deemed allowable.

### CONCLUSION

Based on the foregoing amendments and remarks, Applicants respectfully request reconsideration and allowance of this application.

### AUTHORIZATION

The Commissioner is hereby authorized to charge any additional fees which may be required for consideration of this Amendment to Deposit Account No. **504827**, Order No. 1004289-033US (4208-4028).

In the event that an extension of time is required, or which may be required in addition to that requested in a petition for an extension of time, the Commissioner is requested to grant a petition for that extension of time which is required to make this response timely and is hereby authorized to charge any fee for such an extension of time or credit any overpayment for an extension of time to Deposit Account No. **504827**, Order No. 1004289-033US (4208-4028).

Respectfully submitted,
